Durable, polypropylene, full-colour,  $4 \times 4$  cm pictures with loop self-adhesive fastener

This newly updated set of images is a collection of some of the most commonly used pictures for PECS®. Our team of professionals has compiled this list over many years by tracking the picture vocabulary development of hundreds of new PECS® users. Our generic, non-specific pictures are perfect for combining with attributes for precise requests or comments. The full colour drawings are explicit, yet versatile and include Sentence Starter $^{TM}$  icons and beginning attribute icons. To save you valuable time, the pictures come printed on polypropylene, no laminating required! Loop self-adhesive fastener is included to apply to the back of each image.
